

# Multi-Use Radio Service (MURS)

## General Mobile Radio Service (GMRS)

Block Captain (BC)  
 Division Leader (DL)  
 CCAREA = GMRS Repeater Channel Name  
 One Row = Simplex Dual Watch Disabled  
 Two Row = Dual Watch Enabled  
 Arrows correspond to radio arrow  
 PL = privacy code

The channel number next to CCAREA i.e. CCAREA\16 is the high power GRMS channel for DL and BC communication. CCAREA and DL communications always uses CCAREA. The number following the division is the MURS channel. i.e. 2<sup>nd</sup>-5 is 2<sup>nd</sup> division MURS channel 5. BC and Community two-way communication requires BC disables dual watch and select the division plus -5.
